

## Ski Tow Rope Is Replaced

ROCKLAND—The Rockland Recreation Club has finished the work of replacing the old rope on the ski tow with a new rope and the unit is operating with 100 per cent efficiency. The hill has a 24 inch base and skiing is excellent. The tow runs Saturdays and Sundays and will also run in the evening after the lights are installed.

The ice rink is also in very good condition and the local folks are enjoying it.

Tentative plans are being made for a tennis court to be constructed this spring.

The members are urged to attend the meetings and take an active part in the Club.

The Rockland Valley 4-H Club met on Feb. 6, at the Community Hall. Billy Olson, president, opened the meeting. The pledge was led by vice president, David Roberts. The club song was led by Bernadette Seeling. It was decided to donate \$5 to the ski tow. Plans were made for a sleigh ride party, which was held Saturday on Depot Hill. Reports were given on various projects being carried out this winter. Miss Lola Ewing, Ewen, gave a talk on the purpose of 4-H, and what a member can expect of it. Games were played and lunch was served by four mothers of members.

The Valentine party held on Feb. 14, sponsored by the Parent-Teacher Association, was well attended. A cake walk was held and cards were played with prizes awarded to Miss Olive Bahan, Lew Cote, Eric Seline, Mrs. Lester McCracken and Mrs. Clifford Gougeon.

Mr. and Mrs. Carl Nieminen and sons visited relatives in Wakefield.

George Smolich spent the weekend at his home in Wakefield.
