Frank Lamontia and James Orr, owners and operators of Frank and Jim's, just outside Kincheloe Air Force Base, are the genial hosts who will operate the Lodge Dining facilities. A superb menu has been planned by that master Chef "Swannie" who has cooked in the Palmer House, Chicago, the Del Mar Hotel here in the Soo and with the Pittsburgh Steamship Co. The Lodge specialty will be Boneless stuffed Filet of Chicken and a Sunday Smorgasbord served from 3 to 8. Breakfast and lunch will also be served Cafeteria style.

Congenial Ira E. Carpenter and daughter Betty Sullivan are anxious for you all to stop in and say "Hello." They are particularly interested in the beginner and intermediate skiers.
