This year you're telling us about Dayton's Holiday Dollars!

"I think they're great."

"I love to go all out for the holidays and charge more than usual. With Holiday Dollars, I've extra time to recover. And, because they're like cash, I don't have to charge or write a check for small items."

Judy Pittman  
Skier

Apply for your "Holiday Dollars" at any Dayton's store. Like them as cash from now through the holiday season. They won't affect your account until February 73. And if you pay the "new balance" of your February statement in full before your March closing, there'll be no FINANCE CHARGE at all.
