Package Trip For the Skier

The Milwaukee Road this year, for the first time, is offering weekend package tours at special low rates to groups of 25 or more winter sports enthusiasts, William Wallace, general passenger traffic manager, has announced.

These tours from both Chicago and Milwaukee to eight winter sports areas in Wisconsin and upper Michigan include round-trip coach rail fare, lodging and meals at resorts, and additional features for an enjoyable weekend winter outing, said Wallace. The tours will be made on regular Milwaukee Road trains.

In addition, the Milwaukee Road will operate a Skier's Special train from Chicago to Iron Mountain, Mich., for an outing at Pine Mountain, the "Ski Capital of the Midwest," on the weekend of Feb. 2 to 4.

Wallace said that package winter sports tours are increasing in popularity each season, as they assure the weekend skier of excellent hotel accommodations, good food, and dependable round-trip transportation. The low cost of the package tour is attractive and the skier knows, except for a little incidental expense, what the weekend of fun will cost.

Weekend group trips on regular Milwaukee Road trains through March will be made to the following winter sports resorts at points in Wisconsin and upper Michigan: Brule Mountain at Iron River, Mich.; Cliffs Ridge, Marquette, Mich.; Dell View, Wisconsin Dells Wis.; Majestic Hills, Lake Geneva, Wis.; Mt. Cascade, Portage, Wis.; Mt. LaCrosse, LaCrosse, Wis.; Pine Mountain, Iron Mountain, Mich.; Rib Mountain, Wausau, Wis.; and Ripley Hill at Houghton, Mich.

Package tours from Chicago range from as low as $24.31, plus tax, per person for a weekend trip and are available to all winter resorts served by the Milwaukee Road.
