Holiday Hill Opens, Has More Facilities

Offers Public Skiing Every Weekend

Adding to the area's winter sports facilities is Holiday hill, which had its season opening last weekend. Opening of the hill, normally in December, was delayed this year due to lack of snow.

Located on highway 36 just north of Lake Geneva, Holiday hill now offers 50 per cent more hill facilities than it did a year ago as the result of an extensive brush-clearing program. There is a 1,000 foot slope for beginners and intermediates, plus a well-groomed trail of 1,000 feet for advanced skiers.

Accommodations at Holiday hill include a motor tow, lunch room, ski rental services and free group instruction. The entrance to the area has been improved and car parking space enlarged. The hill is open to the public on Saturdays and Sundays and to private parties during the week.

Holiday hill has been in operation here since 1945. The owner is John Kosmatka, Milwaukee, who operated it for the past four seasons.

Tax Payments Over $60,000

Taxes paid to the city treasurer through Tuesday amounted to $60,601, Mrs. Elizabeth Reek reported yesterday. Part of the amount was received by mail and the rest was paid personally to the treasurer at the city hall.

Beginning this week, Mrs. Reek is at the city hall daily except Sundays to accept taxes. She said they also can be paid by mail and if so, a receipt will be sent by return mail the same day on which the taxes arrive. Mrs. Reek will be at the city hall through February, after which taxes must be paid at Elkhorn.
