# Development of Ski Area Planned by Navarino Club

NAVARINO — Robert Christiansen, president of the Navarino Winter Sports Club, has announced a meeting at the Navarino Grade School at 8 p.m. Tuesday.

The meeting will consider the possibilities of developing the Navarino ski area with a chair lift, snow machine, lodge, and a lake, as well as a 65 foot fill to extend downhill ski runs to 1,300 feet. The proposed ski area would cover 30 acres.

The Department of Natural Resources and the Farmers Home Administration will have representatives at the meeting to give assistance in the development of the project, and will explain various plans of possible government aid.

This meeting is not only for members of the Navarino Winter Sports Club. Everyone who is interested in outdoor sports is invited and urged to come.
