Owners Organize at Lake Redstone

LaVALLE — A Lake Redstone property owners association was organized Saturday to take over management of the LaValle area recreation and homesite lake from the Branigar organization of Chicago.

Between 20 and 300 persons attended the meeting in the former sales office at the north end of the lake.

The major item of business was election of an interim board to serve until the first annual meeting of the association next April. The board will meet on the first Saturday of every month. Plans are to increase the board's number to seven at the annual meeting. John H. Gerber, R. 2, LaValle, was elected president. Other officers are Richard H. Stevenson, also of R. 2, LaValle, vice-president; Donald Marklein, Janesville, as treasurer; and Bernard Marecki, Rolling Meadows, Ill., secretary.

Glen W. Atkinson, Baraboo, a Branigar employee, will serve as a board member.

Members of architectural control and maintenance committees will be picked. These committees will determine building restrictions and property maintenance policies to keep land values up.

The fate of the ski hill, supper club and marina, all proposals of the lake developer, will be decided. Only the ski hill was ever constructed and put into service. Property owners also learned that the Branigar organization will pay for three more sprayings needed to control algae in the lake.

Melvin Albers, county zoning administrator, attended the meeting and offered his office's services to the group.

Chicago Livestock
