Install Ski Tow Near Delafield

By Hazel B. Holt

DELAFIELD, Wis. — A ski tow has been installed on Kaderabek's hill, near Highway 30 and 83. The tow, a portable affair, with a 600-pound lift operates at 500 feet a minute, depending upon ground conditions. The tow will operate Saturdays and Sundays. Later the tow will be put into service on evenings if there are enough ski enthusiasts to warrant it. Approximately 50 skiers have been using the hills on weekends.
