List Ski Areas In County

A directory listing ski and toboggan areas serving residents of Waukesha County was released this week according to an announcement today by Recreation Agent Gerald Smith.

The directory, which includes a map of the county noting the sites, may be obtained from the Extension Service office at the Court House in Waukesha or from local recreation departments throughout the county.

Seven sites are noted, along with information on hours, facilities, charges, and special attractions. Three of the seven are operated either by Waukesha or Milwaukee Counties, Smith pointed out.

The areas listed are: Alpine Valley Resort, located southwest of East Troy; Eagle Ski Hill, Eagle in the Kettle Moraine Park; Maryhill, Sussex, south on the Mary Hill Road; Mukwonago County Park, Mukwonago on NN; Nagawaukee County Park, Delafield, North of I-94; Silver Ridge Ski Club, Oconomowoc, North of Hwy. 30; and Whitnall Park, Hales Corners on S. 92nd Street.

There is no charge for the directory, which has been published annually for the past four years in recognition of the increasing interest in winter sports.
