

Ski Pal Installs New Plastic Tow

MT. VERNON—Ski Pal has installed a new plastic tow line this year to enable skiers to get back up the hill on the ski tow.

Now the Ski Pal, one of the state's four commercial ski areas, has four polypropylene rope tows available. Two of the ski tows are electric and two are gasoline driven.

The Ski Pal will remain open

to the public from 10 'til 10 daily through March.

Hunting and Fishing

Today's "American Sportsman" color show on KCRG-TV will include a grizzly bear hunt in British Columbia, fishing for tarpon in the Florida keys and a fish's eye view of Australia grouper. It runs from 3 to 4 p.m. today.

The Sears logo is a dark rectangular box with a white semi-circular arc at the top. Inside the arc, the word "SEARS" is written in white, serif, all-caps font.
