

The two previously closed lodged reopening this winter are Winterskol near Lakeview (formerly Brady's Hills) and Hanson Hills near Grayling (formerly Bear Mt. ). The new owners of Winterskol, with the help of a new hill and larger lodge, hope to up business 50 per cent over its last season in 1974-75. Hanson Hills—an on-and-off operation the past year—will be operated by the Grayling Recreation Authority.
