

New ski tows have been installed at Iron Mountain, Ironwood, the Gateway (2), Hancock, and Ishpeming. The latter city, which is the birthplace of the National Ski association, will present its 53rd consecutive annual ski tournament at Suicide Hill Thursday, February 22, Washington's Birthday. Iron Mountain is featuring the world's highest and longest artificial ski slide, and Ripley Slope at Portage Lake offers a 2,250 ft. outrun with the upper trails through timber.
