

● **Silver Mountain:** This is the closest community hill to the Mackinac Bridge, located just six miles west on US-2. After being closed for five years, Silver Mountain was reopened this winter by the St. Ignace Recreation Department. It features a paddle lift and four runs, the longest a 1,200-foot ski off to the side of the hill through a stand of trees before returning to the lodge at the bottom.

Skiing hours are 5-9 p.m. Thursday and noon to 6 p.m. on Saturday. Lift tickets are \$5 for students and \$6 for adults. For more information, call the St. Ignace Recreation office at (906) 643-8676.
