

Hidden Ski Slope Opens

Last night and today, Tuscarawas County's newest winter playground, the Hidden Ridge Ski slope at Hidden Valley Golf course, had its initial test.

Managed by Don Newland of Dover, there were more than 25 skiing enthusiasts on the wintry scene.

Newland operates a Ski Shop on 215 Walnut St., Dover, and at the Club where new skis, boots and poles can be purchased. There also are refreshments at the clubhouse.
