## WINTER FUN FOR EVERYONE - - RIGHT IN YOUR OWN BACK YARD!

North Western is proud to dedicate its 1951-52 Directory of Winter Sports Playgrounds to the growing number of winter sports fans of the middle-west who have discovered there's winter fun for everyone . . . right in our own back yard!

In the snow-belt of the middle-west are found ski runs and trails that challenge the skill of the novice or champion. Best of all, these outstanding winter sports areas are easily reached by comfortable, fast North Western trains. You can forget traffic worries, and winter highway hazards; check your ski gear along with your baggage, and relax the moment you board the train.

There's a choice of fast daytime trains to most regions, or comfortable overnight trains. Either way, you'll arrive fresh as a daisy, relaxed and ready for a barrel of winter fun!

There is a convenient index of train schedules to all of the regions listed in this directory at the top of page 20, and schedules and fares are carried on pages 20, 21, 22 and 23.

For further information in planning a day, a week-end, or more at the winter wonderland of your choice, we invite you to contact the WINTER SPORTS BUREAU, Chicago and North Western Railway, Room 1011, Field Building, 140 South Clark Street, Chicago 3. Telephone DEarborn 2-2121, Ext. 251.
